APPLICATION FORM TABLE TENNIS CLUB TTV SHOT

Thank you for your application. We welcome you as a member of TTV SHOT and wish you a good time playing table tennis!

General

The club TTV Shot is made up of its members. Together we make it possible for every member to play table tennis. The consequence is that we must do everything ourselves. We therefore expect that all members and parents or guardians of the minors will contribute something to the various activities (and our own clubhouse!). This may include bartender duties, assisting in the cleaning of the premises, or the transportation and supervision of a youth team.

All members of Shot, volunteers and parents of junior members will have to subscribe to the Code of Conduct as it is published on the website.

Personal

Personal information is treated with the utmost care and security. TTV Shot adheres to the requirements of the Personal Data Protection Act of The Netherlands. The club uses your email address only to send you news concerning the club or other necessary information.

Trial period

To find out whether you really want to become a member, you have a trial period of 2 months in which you can play 4 times for free. After that period, registration as a member is mandatory, as is the payment of the membership fee.

Mandate for recurrent collections

The collection of the monthly membership fee takes place around the 15th of each month. If there is a deficit on your account, a new attempt will be made to collect the fees the following month. If there is still a deficit in the second month, an invoice will be sent to you by post, for the fees owing plus a € 5 administration fee. If you do not agree with the direct debit payment, you can arrange for its refund. Please contact your bank within 56 calendar days from the date on which your account was debited. Ask your bank for further instructions.

Changes in personal data or terminating your membership

Changes in your personal data, like your (email) address, must be passed on as soon as possible to: ledenadministratie@ttvshot.nl.

To terminate your membership you also have to send an email message to the same email address or you can deposit a signed statement in the mailbox at the club. The termination will be effective from the end of the month following on the month of termination.

Please deposit the completed form in the membership registration mailbox in the clubhouse.
